Краткие теоретические сведения:

Рассмотрим время Время Past Perfect Continuous (прошедшее совершенное продленное). Как видно из названия, это время сочетает в себе значения, присущие временам группы Perfect и Continuous. Сфера его употребления довольно узкая:

- Действие началось в прошлом и продолжалось до определенного момента в прошлом (She had been cooking a lemon pie for an hour before I came Она готовила лимонный пирог в течение часа перед тем, как я пришел (я пришел момент в прошлом, до этого момента она один час готовила пирог)). Этот момент обозначается другим действием и специальными словами: for, since, by the time, before, after;
- Действие, которое длилось в течение какого-то времени в прошлом и результат которого был виден в прошлом (There were puddles in the street. It had been raining at night. На улицах были лужи. Ночью шел дождь (мы не застали момент, когда дождь шел, но мы видели результат лужи)). Очень часто в таких предложениях указывается продолжительность действия.

Past Perfect Continuous не используется с глаголами состояния (state verbs), даже если мы хотим подчеркнуть длительность действия. Также Past Perfect Continuous редко встречается в отрицательных предложениях. В обоих случаях это время заменяется на Past Perfect. При этом смысл предложения остается прежним:

He had admired her talent for all his life. – Он восхищался ее талантом всю жизнь.

He hadn't been riding a bike since he was a child. = He hadn't ridden a bike since he was a child. – Он не ездил на велосипеде с тех пор, как был ребенком.

Для построения этого времени во всех трех типах предложений требуется вспомогательный глагол to be во времени Past Perfect (had been) и смысловой глагол в -ing форме (Ving). Формула сказуемого в утвердительном предложении выглядит как had + been + Ving (She had been washing the dishes). Чтобы построить отрицательное предложение, нужно к вспомогательному глаголу добавить отрицательную частицу not: had not + been + Ving; стяженная форма выглядит как hadn't (She hadn't been washing the dishes). Наконец, чтобы задать вопрос, вспомогательный глагол had необходимо вынести на первое место перед подлежащим (Had she been washing the dishes?).

Существует ряд наречий времени, которые являются маркерами Present Perfect Continuous: for, since; в некоторых случаях until, after, before, by the time, all day long и др.

Past perfect continuous (I had been doing)

Study this example situation:

Yesterday morning I got up and looked out of the window. The sun was shining, but the ground was very wet.

It had been raining.

It was *not* raining when I looked out of the window. The sun was shining. But it **had been raining** before.

had been -ing is the past perfect continuous:

I/we/you/they he/she/it	had	(= I 'd etc.) (= he 'd etc.)	been	do ing work ing play ing etc.
----------------------------	-----	---	------	--

Some more examples:

- My hands were dirty because I'd been repairing my bike.
- Tom was tired when he got home. He'd been working hard all day.
- I went to Madrid a few years ago and stayed with a friend of mine. She hadn't been living there very long, but she knew the city very well.

You can say that something **had been happening** before something else happened:

- We'd been playing tennis for about half an hour when it started to rain heavily.
- Compare have been -ing (present perfect continuous) and had been -ing (past perfect continuous):

Present perfect continuous

I have been -ing

past

- ☐ I hope the bus comes soon. I've been waiting for 20 minutes. (before now)
- ☐ James is out of breath. He's been running. (= he has been ...)

Past perfect continuous

I had been -ing past now

- At last the bus came. I'd been waiting for 20 minutes. (before the bus came)
- ☐ James was out of breath. He'd been running. (= he had been ...)
- Compare was -ing (past continuous) and had been -ing:
 - It wasn't raining when we went out. The sun was shining. But it had been raining, so the ground was wet.
 - Katherine was lying on the sofa. She was tired because she'd been working hard.
- Some verbs (for example, **know**) are not normally used in *continuous* forms (**be** + -**ing**):
 - We were good friends. We had known each other for years. (not had been knowing)
 - A few years ago Lisa cut her hair really short. I was surprised because she'd always had long hair. (not she'd been having)

For a list of these verbs, see **Unit 4A**. For **have**, see **Unit 17**
